

# C-141 TOTAL TRAINING SYSTEM (TTS) (Moore/MTucker)

## DESCRIPTION OF EFFORT

Contractor conducts day-to-day operations, maintenance and support of the C-141 Total Training System. Total Training System provides a guaranteed student for aircrew training using TTS assets. Maintenance training devices are available to support organic proficiency training for maintenance personnel. Support FTU at WPAFB and TTS contract.

Program Assessment: 

## ISSUES

- Tentative FTU deactivation schedule
  - HQ AFRC/DOTA working authorization

- New aircraft drawdown schedule revisited

- March ARB - learning center move concern

## ACTION ITEMS

- Assist OO-ALC in follow-on and disposition planning

- AFRC-led Disposition IPT monthly
- Memphis WST parts going to ATARS (SOF)

- Work closely with HQ AMC & Ogden
